ST. JOSEPH'S HEALTHCARE FOUNDATION 24TH ANNUAL VIRTUAL GALA

— A Mid-September Mixer —

The St. Joe's Gala is coming to you virtually once again this fall with the promise of gourmet dining delivered to your door, a certified mixologist with recipes for cocktails and mocktails, musical entertainment and more. Join us as we gather virtually for a mid-September mixer in support of the care St. Joseph's is honored to provide to our community. Our famous wine auction will be augmented by rare spirits, and the silent auction will return with great prizes and experiences. We hope to see you virtually on September 18th!
