## Children's Fundraiser

This is the C.Y.O.'s largest community fundraiser. Proceeds are in support of our 'One-to-One' program that enables children with special needs the opportunity to go to camp each summer. We rely on the support of our community friends like you to keep our 'One-to-One' program thriving for these children and their families.

Whether you purchase tickets, sponsor the event, place an ad in our dinner program, or sponsor-a-camper, you are giving a children in our community the opportunity to create a lifetime of memories and the feeling of success.
