

Welcome to the Muslim Association of Canada (MAC), a dynamic, non-profit organization dedicated to empowering Canadian Muslims through faith-based education, personal growth, and community involvement. With 16 community centers and 28 schools spanning 13 chapters across the nation, MAC is devoted to nurturing and inspiring Canadian Muslim youth.

At MAC, we recognize the importance of youth development in Halton/Hamilton and surrounding cities, offering a variety of programs and services designed to foster leadership, identity, and a strong sense of community. By investing in mentorship and support, we aim to make a lasting impact on the lives of young Canadian Muslims.

One of our flagship initiatives, MAC Camp Awakening, is an annual multi-day retreat held in the picturesque northern wilderness. For over two decades, this unforgettable camp has brought together Muslim youth for mentorship, Islamic education, and personal development. Packed with thrilling sports activities like kayaking, rock climbing, and paddleboarding, along with vital mental health support and thought-provoking lectures, MAC Camp Awakening offers an incredible opportunity for youth to bond, learn, and grow in their faith in a fun and engaging atmosphere, before heading into the new school year.

Building on the success of MAC Camp Awakening, we introduced MAC Camp Horizon, a groundbreaking program tailored to university students and young professionals. This innovative project, the first of its kind, welcomed 100 eager participants, engaging them in stimulating discussions and workshops that foster personal and professional growth. MAC Camp Horizon successfully ran last summer serving 100 campers.

Recognizing the intense need for these projects, we launched the MAC Winter Summit Retreat, a seasonal counterpart to our summer offerings. This exhilarating winter escape features skiing, snowboarding, snow tubing, skating, and snowshoeing, alongside engaging lectures and discussions. Attendees return from this immersive experience feeling more connected to their community and faith.

We are thrilled to announce the return of MAC Camp Horizon this summer! It is guaranteed to be an unforgettable adventure filled with outdoor activities, workshops, and conversations that promote personal development, leadership, and faith-based values. By working together, we will continue to create a welcoming and supportive environment for young Canadian Muslims to flourish.

Warmest regards,  
The MAC Camp Horizon Team
