Hi Tami - we just want to thank Inspector Moreton and all members of your team for the excellent manner in which they represented the Hamilton Police Service at our RED Friday event. Thanks to their participation, we had another very successful event. When I was a police constable in Belleville, Ontario (many years ago), I remember the days when we would walk the beat and have a chance to spend time meeting and getting to know the people we served. Times have changed and it was enjoyable watching the positive interaction between your team and the members of our community. As always, the Mounted Unit were a big hit. It was great to again welcome Board Chair Pat Mandy. On behalf of our organizing team, please pass along a sincere thanks to Chief Bergen, Chair Mandy and the members of your team for your continued support of our RED Friday events. Best wishes to all for a safe and healthy summer.....Bob
