

Sadly, the global pandemic has forced Good Shepherd to cancel the Harvest Dinner, our signature event and our largest annual fundraiser.

Since we can't celebrate together, we're taking the Dinner's popular **Harvest Auction** and **Pledge from the Heart** online. From **October 1 to 15**, we're giving you a chance to help vulnerable people in our community, do some shopping for yourself and get a head start on Christmas from the comfort and safety of your own home.

Visit us at [goodshepherdcentres.ca/events](http://goodshepherdcentres.ca/events) to take part in the online auction or to donate to Pledge from the Heart.

Here's a sample of more than **150 items** to bid on, including toys, skincare/hair products, gift certificates, gourmet food & wine packages, home décor, local getaways, jewelry and handmade baby items.
