Subject: Hamilton Police Budget

Hello Kirsten,

I am writing as a resident of Hamilton (Ward 3, [REDACTED]) to urge you to reconsider the proposed \$16 million increase to the Hamilton police service budget.

I encourage you to reject any increase to the HPS budget and instead strongly consider reinvesting these funds in community supports, including housing and food security.

Thank you.

Lara Esrey
[REDACTED]

All the best,

Lara Esrey (they/them)
