I understand that the HPS is proposing a community committee to be involved in the use of force and race data collection. I would like to provide a delegation / presentation with regards to some of the institutional history, as I was the Community Relations Co-ordinator for the Hamilton Police Service (beginning 30 years ago!) from 1994 to 2002, and subsequently also served on the Police Services Board, and I will highlight some of the principles learned from the pioneering work in community consultation that HPS has done in the past.

Will you be providing a presentation? ☒ Yes ☐ No

Have discussions or correspondence taken place with a member of the Hamilton Police Services Board or the Administrative Director? If so, with whom and when?
