OUR EVERY SPECIAL GUEST

RICK MERCER chronicles, satirizes and ultimately celebrates all that is great and irreverent about this country. A national bestselling author and the Governor General's Award winner for Lifetime Artistic Achievement, Mercer is our most popular comic: a political satirist who knows exactly what matters to Canadians and what makes them laugh. The beloved comic won the Stephen Leacock Medal for Humour for his memoir *Talking to Canadians*, in which he charts his meteoric rise to TV fame in a series of riveting, hilarious, and unforgettable anecdotes and behind-the-scenes revelations from his decades-long career. In his new memoir, *The Road Years*, he continues the story and reminds us, with trademark humour and charisma, how much there is to love about Canada.

OUR MUSICAL GUESTS

THE HAMILTON POLICE CHOIR

GOOD SHEPHERD'S EMMANUEL HOUSE HOSPICE

Our event is in support of Good Shepherd's Emmanuel House hospice. Proceeds will help provide compassionate end-of-life care in our beautiful building at 90 Stinson Street, Hamilton.

Emmanuel House is one of three residential hospices in Hamilton. But we are more than a hospice; we are a philosophy of care brought to life through love and respect.

Our goal is to provide residents with the ability to live in dignity and maintain a high quality of life, while remaining close to those they love and care about the most. Our staff provide support to people who are facing a life-limiting illness and who need comfort and support for themselves and their loved ones.

Emmanuel House is a "home" for residents and their loved ones. Residents live in a comfortable, tastefully furnished private bedroom with an ensuite bathroom. Surrounding the hospice are beautifully tended gardens for residents and their loved ones to enjoy. All guests and residents are welcome to find respite in our peaceful chapel.

Some people with advanced illness prefer to receive end-of-life care at home. The hospice's Palliative Care Outreach Team works with primary care providers, community agencies and other clinical experts to care for individuals living with life-limiting illness in their homes and provide support for their loved ones.
