

A Celebration of Women and Girls Making a Difference in Hamilton and Halton

YWCA Hamilton's Women of Distinction Awards is the largest and most prestigious event honouring women and girls in Hamilton and Halton. With the support of our community, we will raise \$300,000+ to further YWCA Hamilton's mission to provide meaningful, accessible services to create opportunities, amplify voices, and co-create gender inclusive and equitable communities.

Our legacy of recognizing the leadership and impact of women began 135 years ago when YWCA Hamilton was first established. And, our legacy of celebrating fierce women and changemakers began 48 years ago and continues today with over 1,850 women and girls having been celebrated for their remarkable achievements in their sectors and communities.

Celebrate with YWCA Hamilton!
