Routes is a non-profit, professionally-led organization where youth are given the opportunity to develop new skills while feeling welcomed, safe and nourished. The centre provides free drop-in services for youth aged 8-19, structured workshops, and informal programs focused on supporting youth mental health, healthy lifestyles and personal growth.

In 2023, Routes saw 207 youth participating in something that mattered to them at the centre. Routes provides a place where youth can learn something new about themselves and find something that makes a difference to them. **When you contribute to Routes Youth Centre, you are part of this community.**

Your contribution helps to enhance the quality of life, well-being, and potential of youths who are a part of our community.
