

Welcome to the Muslim Association of Canada (MAC), a dynamic, non-profit organization dedicated to empowering Canadian Muslims through faith-based education, personal growth, and community involvement. With 23 community centers and 29 schools spanning 13 chapters across the nation, MAC is devoted to nurturing and inspiring Canadian Muslim youth.

At MAC, we recognize the importance of youth development in Halton, Hamilton and surrounding cities, offering a variety of programs and services designed to foster leadership, identity, and a strong sense of community. By investing in mentorship and support, we aim to make a lasting impact on the lives of young Canadian Muslims.

Building on the success of the flagship MAC Camp Awakening, this unforgettable camp which brought together Muslim high schoolers for mentorship, Islamic education, and personal development, and was held annually in the picturesque northern wilderness for over two decades, we successfully kicked off our Camp Horizon in 2022, 2023 and are having the third version of this camp in June 2024.

Camp Horizon is a groundbreaking program tailored to university students and young professionals. This innovative project, the first of its kind, has welcomed over 100 eager participants each summer for the past couple of years, engaging them in stimulating discussions and workshops that foster personal and professional growth.

We are thrilled to announce the return of MAC Camp Horizon this summer! It is guaranteed to be an unforgettable adventure filled with outdoor activities, workshops, and conversations that promote personal development, leadership, and faith-based values. By working together, we will continue to create a welcoming and supportive environment for young Canadian Muslims to flourish.

Warmest regards,
The MAC Camp Horizon Team
