Dear Hamilton Police Service Board,

I am writing to you on behalf of the planning committee for the upcoming **4th Annual Project First to Respond, Women's Only Golf Tournament** taking place on September 12th, 2024, at Southbrook Golf & Country Club.

Project First to Respond is focused on raising funds for local organizations to support a wide array of needs within the community it serves. Over the past three years, Project First to Respond has raised over \$131,000 in support of much needed women's programming in our community. The committee is made up of past and present first responders and its name symbolizes the unity and prompt action of first responders to help when there is a need. **This year, our group will join forces with the team at Mission Services to raise much needed funds for Inasmuch House – the first women's shelter in Canada, and a part of the Hamilton community for over 50 years.**

Inasmuch House, is a safe haven for women and non-binary people with or without children in their care who are experiencing abuse and/or homelessness. Inasmuch House provides a safe place to stay while they rebuild their lives and return to the community. The goal isn't just to house women, non-binary people, and children, but to help them regain the confidence and strength to live a healthy and independent life again.
