Dear Chief Frank Bergen;

Cash - Dinner & Auction - Ticket (2) in the amount of \$200.00

Thank you for your generous contribution in support of the operation of Routes Youth Centre. Your support is most appreciated as we strive to meet the ever changing needs of youth in our community.

Routes Youth Centre (Routes) is a vibrant and exciting part of the Dundas (Ontario) community. For over 30 years Routes has played an important role in the lives of thousands of youth through its progressive programming, a caring presence, and advocacy in the community. Founded on the commitment to provide a safer place for youth, where they can build positive relationships in a safe, social and caring environment, Routes continues to help kids build friendships, interact with positive role models, learn skills and develop attitudes leading to successful futures.

Through our unique programming, we strive to empower youth to make our space their own and also make their future their own! In our ever-changing society, youth often lack real connections. We are convinced that we have been able to help teens feel more connected; to themselves, to their community and to the world!

"You support me in ways nowhere else does"

- Youth, age 11 -

We believe you are investing in a truly valuable cause; our future! Congratulations on showing the youth of Dundas that their community cares.

Thank you most sincerely,

Amanda Thomassian
