Re: 8th Annual October Moon Gala

We invite you and your guests to join us for an evening of celebration and unique entertainment. De dwa da dehs nye>s Aboriginal Health Centre will host our 8th annual October Moon Gala Celebration on Thursday, October 17, 2024.

Over the years, our gala has developed into an event that is not to be missed. Emceeding the evening will be the dynamic duo, Harv Powless and Jace Martin. Known for their acclaimed weekly show, the Harv N Jace Show. Harv and Jace will bring their unique blend of insightful commentary and comedic flair to the evening. Feature performance by Oneida/Mohawk singer/songwriter Lacey Hill. Lacey is from Six Nations of the Grand River and is also an inspirational speaker. Lacey's debut solo album, 528, was independently produced and released in 2013, which put her on the indie-music radar and kick-started her career as a stage musician. 528 Volume 2 was released in 2017 and 528 Volume 3 in 2023. These albums have opened the doors for international touring, synching/soundtrack and more.

All proceeds will go towards our Capital Projects to build Indigenous Community Well-Being Centres in Hamilton and Brantford. There will be a silent auction, entertainment, and an awards reception.

The event details are as follows:
