

Good Morning Sandy,

I hope you had a wonderful weekend!

On behalf of the St. Joseph's Villa Foundation, we want to sincerely thank Hamilton Police Service Board for their support of the 20th Annual Anne & Neil McArthur Memorial Golf Tournament on October 1st.

Despite the rainy start, it turned into a perfect day on the course and our most successful golf fundraiser to date. **We raised over \$117,000 that goes directly back to our Campus of Care in the heart of the community.** The programs and services that our residents and their families rely on can only happen with the support of our generous sponsors and community partners and we are so grateful to the HPS for believing in the St. Joseph's Villa Foundation mission and cause.

Thank you again for being such an important part of our event. We look forward to working together again soon and another fantastic tournament next year.

Kind regards,

The St. Joseph's Villa Foundation Team
Don, Sherri, Lori, Sarah, Meg & Grace
