

Hamilton Police Retirees Association

September 22, 2024

The Hamilton Police Retirees Association comprises of 953 members. An important function of ours is to continue our service to the community. We do this by volunteering in activities and hosting events designed to raise funds that enable us to financially support a wide variety of important charities and causes in the community.

On November 20th, we will be once again holding our Annual Turkey Roll to raise much needed funds for local charities. Last year's event, because of your generous support and that of other individuals, businesses and organizations, we were able to raise \$10,000 which was donated evenly to four area Food Banks and the Cancer Assist Program.

On behalf of the Hamilton Police Retirees Association, I hope we can count on your continued support to this integral contribution to the City of Hamilton and the vibrant communities that make us such a remarkable place. Your support will be recognized and properly acknowledged in our materials and at the event itself.

We appreciate your consideration in donating a gift certificate, article or service to this worthwhile and impactful event.

Thank you most sincerely,

Kelly Dziemianko
