Temple Anshe Sholom
215 Cline Avenue North
Hamilton, Ontario
L8S 4A1

Dear Sir or Madam:

For 175 years, Temple Anshe Sholom has been at the heart of Hamilton's Jewish community. As Canada's first Reform synagogue and Hamilton's oldest synagogue, our legacy is one of resilience, faith, and community. In honour of this milestone, we invite you to be part of our 175th Celebration Concert—a special evening of music, history, and hope for the future.

This concert is more than a celebration—it's a fundraising effort to ensure our synagogue's continued strength for generations to come. Our goal is to raise \$175,000 for our 175th year, supporting the preservation of our historic building. A key project will be restoring and replacing the ageing windows in our Sanctuary and front façade. You have been an integral part of helping us maintain and preserve our legacy of a safe, welcoming, and inclusive community here in Hamilton.

We invite you to become a sponsor for this historic event. Your support will directly impact the future of our congregation and allow us to continue being a welcoming home for Jewish life in Hamilton. A separate sheet in this envelope outlines the various sponsorship levels and benefits available.

We would be honoured to discuss this opportunity with you further and answer any questions you may have. Please feel free to contact us directly at gburman@outlook.com.

Thank you in advance for your consideration and generosity. We look forward to partnering with you for an unforgettable evening of hope and inspiration!

With gratitude,
The Temple Anshe Sholom Fundraising Committee

Addressing the Gap in Access and Education

About Excel In Style

Excel In Style is a groundbreaking initiative powered by 40+ Hamilton-based textured hair stylists and barbers, dedicated to empowering Black and racialized youth through hair care education, styling, and community support. Our mission is to create a safe and inclusive space where young people can embrace their natural beauty, gain confidence, and access essential styling services they might not otherwise afford.

By addressing the gap in textured hair care access and education, Excel In Style fosters self-esteem, identity formation, and resilience among Black and racialized youth, ensuring they feel valued, represented, and supported.

Meet Our Founder

Lohifa Pogoson Acker

Known as a community enthusiast, business owner, hair artist, speaker and vibe curator, Lohifa's passion for uplifting others led her to establish Excel In Style. With a background in Biopsychology and Economics from the University of British Columbia, Lohifa initially pursued a career in international Development, working extensively in public health in West Africa to strengthen local health systems and combat HIV/AIDS in mothers and children.

She moved to Hamilton in 2012 and after working with St Joseph's Healthcare in the Integrated Comprehensive Care Program for a few years, she sought deeper community engagement and transitioned into hairstyling—a passion she has nurtured since childhood. In 2019, Lohifa founded her own hairstyling business, niched for textured hair and precision pattern styling, and serving a diverse clientele, including a large number of the Hamilton Tiger-Cats team, TV Host – Traci Melchor, Supermodel – Stacey McKenzie and other celebrities. She has styled in TV and Film for Canada's Drag Race Season 1, Netflix's Cook At All Costs and a host of other projects and productions.

Lohifa is the recipient of numerous business and community awards including the Hamilton Chamber of Commerce's Entrepreneur of the Year Award (2020). She was recently named to the Order of Hamilton (in 2024). Her commitment to community well-being and her recognition of the profound impact of haircare on self-esteem, particularly among Black and racialized youth, inspired her to create Excel In Style.

"Excel In Style is about more than just hair, it is about fostering confidence, cultural pride, and a sense of belonging for Black and racialized youth in Hamilton. With your support, we're providing accessible textured hair care, styling and education to youth and families in need!" – **Lohifa Pogoson Acker**

Dear Hamilton Police Service,
c/o Sandy Pollock

The Kidney Foundation of Canada's Kidney Walk will be held this fall in 39 communities across Ontario. The Walks are a special occasion for dialysis patients, organ transplant recipients, donor families, living donors, the medical and business communities to join together and take steps to bring hope and support to families living with kidney disease. With the help of **The Hamilton Police Service**, last year, friends and families joined together to raise kidney-health and organ donation awareness and in the process raised an unprecedented \$1 million.

The Kidney Foundation of Canada receives no government funding nor are we a funded agency of the United Way. **The financial support of your organization makes the difference.** Over 4 million Canadians have kidney disease. Chances are this includes someone you know: family; friends; customers; employees; and co-workers.

The Kidney Foundation of Canada is a national volunteer organization dedicated to improving the health and quality of life of people living with kidney disease. The Hamilton Chapter carries out this mandate by providing programs and services to kidney patients, as well as supporting public education, promoting kidney health and organ donor awareness, and emergency financial assist to those in urgent need. Given the current circumstance there will be more demands on the Foundation than ever before. On September 21st, the community will be gathering to show their love & support for local patients and their families with a 5 km walk.

We would like to invite you to partner with us to make the Hamilton **Kidney Walk** another unprecedented success. The attached package details the benefits of each level of Sponsorship. We thank you for your time and hope that you will continue to grant us your continued support. Please do not hesitate to contact me at deanna.kulczycky@kidney.ca or call 289-237-9499. If you require any additional information, please feel free to visit our website at www.kidney.ca.

Empowering Impact: Your Role in Compassionate Care!

Becoming a Hike the Valley sponsor is an investment in the health, dignity and well-being of our community and will make a profound impact on the compassionate care provided to over 425 residents at St. Joseph's Villa and countless residents and families at Margaret's Place Hospice. Your sponsorship not only showcases your dedication to the community, but amplifies your brand reach and awareness. More importantly, it plays a pivotal role in ensuring **our mission to provide compassionate care** and healing support for our diverse resident and community needs.

Margaret's Place Hospice - Ongoing support is vital to continue providing exceptional services and care, free of charge to hospice residents and their families. While government funding covers part of our annual hospice operating budget, it falls short of meeting the entirety of our needs.

St. Joseph's Villa - Your gift will support the Villa's most urgent capital needs including new care and medical equipment, upgrading resident and community care facilities and enhancing the quality of life for residents by funding programs not covered by government.

We are excited to collaborate with you to make a meaningful impact through our Hike the Valley event! To explore further or secure your sponsorship opportunity, please reach out to GraceDavidson@sjv.on.ca. Together, we will continue a legacy of compassionate care!
