Subject: YWCA Walk a Mile Event - Request for Support

Dear HPS Board Members,

On June 11, 2025, members of the Hamilton Police Service will proudly participate again in the YWCA Hamilton's Walk a Mile in Their Shoes event. This initiative raises both funds and awareness to help end gender-based violence in our community.

Our Hamilton Police team has set a fundraising goal of \$3,000, and we are currently just \$1,000 away from reaching that target. We respectfully ask that you consider supporting this initiative through a donation. Contributions can be made online via the [Hamilton Police 2025 - Walk a Mile in Their Shoes](#) team page, or by cheque made payable to the *YWCA Hamilton*, with a note directing the funds to the *Walk a Mile - Hamilton Police 2025 Team*. Every donation will go directly toward efforts to build a safer and more equitable Hamilton for all.

In addition to financial support, we warmly invite you to attend the event outside of Hamilton City Hall and walk alongside us in solidarity with survivors. Event check-in will take place between 11:00 a.m. and 12:00 p.m., with the walk and event scheduled from 12:00 p.m. to 1:00 p.m.

Together, we can stand against violence and send a powerful message: everyone deserves to feel safe.

Thank you for your time, support, and commitment to our community,

Sarah

The House of Providence Picnic

Wednesday, July 2, 2025

Step back in time and join us at the “House of Providence Picnic” to celebrate the care and residents at St. Joseph’s Villa and Margaret’s Place Hospice.

The House of Providence Picnic has a rich history dating back to 1879, when it was first organized to raise funds for the initial care home on the grounds of our campus.

The picnic was a beloved annual event for 92 years by the community, before coming to a halt when the home was destroyed in a devastating fire in 1971. The tradition was briefly reinstated to support the care at St. Joseph’s Villa before being replaced by our Foundation’s annual gala.

At this year’s House of Providence Picnic, residents and their families, staff, volunteers and our community supporters are invited to join us and take part in traditional picnic activities such as live entertainment, BBQ lunch, bake sale, pie baking competition, games & prizes, BINGO, dunk tank, animals, craft vendors, and more!

We invite you or your organization to become a sponsor of this event and help make it a truly memorable experience for all involved.

Empowering Impact: Your Role in Compassionate Care!

Step back in time and join us at the "House of Providence Picnic" presented by the Congregation of Sisters of St. Joseph Canada to celebrate over 145 years of compassionate care.

Becoming a House of Providence Picnic sponsor is an investment in the health, dignity and well-being of our community and will make a profound impact on the compassionate care provided to over 425 residents at St. Joseph's Villa and countless residents and families at Margaret's Place Hospice. Your sponsorship not only showcases your dedication to the community, but amplifies your brand reach and awareness. More importantly, it plays a pivotal role in ensuring our mission to provide compassionate care and healing support for our diverse resident and community needs.

Margaret's Place Hospice - Ongoing support is vital to continue providing exceptional services and care, free of charge to hospice residents and their families. While government funding covers part of our annual hospice operating budget, it falls short of meeting the entirety of our needs.

St. Joseph's Villa - Your gift will support the Villa's most urgent capital needs including new care and medical equipment, upgrading resident and community care facilities and enhancing the quality of life for residents by funding programs not covered by government.

The Israel Magen Fund of Canada (IMFoC) is a Canadian registered charity founded in 2008. Following October 7, 2023, IMFoC has mobilized to support vital search and rescue efforts, mental and physical health, and social services for impacted communities in Israel. JNF Canada is proud to collaborate with IMFoC on this initiative to address this critical charitable need.

JNF Hamilton's Negev Dinner will feature Daniel Waiss.

His voice is our story.

Daniel Waiss was born on Kibbutz Be'eri in the western Negev. Daniel survived the attacks of October 7th but lost both of his parents on that horrific day.

After October 7th he began performing in different venues, sharing his story and his music. Daniel then competed in Hakochav Haba, the competition to become Israel's entry to Eurovision and placed second. He has become a beloved figure in Israel, showing his strength and commitment despite what he's been through, never losing his passion and purpose.

Through every note he sings and every stage he stands on, he proves that resilience is louder than tragedy, and that even in the face of loss, the power of music and hope can still shine through.
