Subject: Project First to Respond Women's Only Golf Tournament

Hi Sandy/ Tami,

I was looking to see if you would be willing to share this with the Hamilton Police Service Board to see if there is any interest in sponsorship or registering golfers for the upcoming **5th Annual Project First to Respond, Women's Only Golf Tournament** taking place on September 11th, 2025, at Southbrook Golf & Country Club.

Project First to Respond is focused on raising funds for local organizations to support a wide array of needs within the community it serves. Over the past four years, Project First to Respond has raised over \$161,000 in support of much-needed women's programming in our community. The committee is made up of past and present first responders and its name symbolizes the unity and prompt action of first responders to help when there is a need.

Once again, our group will join forces with the team at Mission Services to raise much needed funds for Inasmuch House – the first women's shelter in Canada, and a part of the Hamilton community for over 50 years.

Inasmuch House, is a safe haven for women and non-binary people with or without children in their care who are experiencing abuse and/or homelessness. Inasmuch House provides a safe place to stay while they rebuild their lives and return to the community. The goal isn't just to house women, non-binary people, and children, but to help them regain the confidence and strength to live a healthy and independent life again.

Early bird registration is currently live until June 15th so each golfer will save \$10! You can register singly or as a group via the link <https://mission-services.com/project-first-to-respond-golf-tournament-2025/>

Thank you for your consideration,

Project First to Respond Committee

HAMILTON POLICE SERVICE

155 King William Street, Hamilton, Ontario Canada L8R 1A7 |  905.546.4925 |  905.546.3892

Dear Hamilton Police Services Board,

I hope this letter finds you well.

In spring of 2024, the Hamilton Police Service began a new police driven initiative to bridge the gap between school children and police in our Hamilton communities. After some research of similar police programs throughout the United States and Canada, we landed on the concept of 'Back to School'. The event was a community-based initiative to support children in need, and help them prepare for the upcoming school year by providing each child with a backpack filled with school supplies. What kid wouldn't be excited to start school with a brand new back pack filled with notebooks, pens and pencils! The goal was to not only get these much needed supplies to the kids, but also to help alleviate some of the financial burden on families.

Over the next four months, the Police Service got to work preparing donation locations, sorting, scripting media, and most importantly, generating and securing several positive community partnerships such as RONA Canada. Donation centres were organized at each of the three police stations between July 15th - August 25th 2024. The Hamilton Community response was beyond heartwarming, with an alarming supply of backpacks being donated on a daily basis.

On August 29th 2024, the Hamilton Police Service, with the assistance of Rona, and other community partners, were able to hand out over 200 'filled' backpacks to families and children in need. RONA even supplied all that attended with a free barbeque lunch. The initiative was a huge success and continues to grow for the coming years.

As the cost of school supplies continues to rise, families can expect to spend an average of \$150 to \$250 on backpacks and essential items for the upcoming school year.

We are kindly requesting a monetary donation to help fund the purchase of backpacks and supplies for children in our community who may otherwise go without. Your contribution will directly support local students and ensure they have the tools they need to start the school year strong.

Our goal is to gather all donations by July 1 in order to purchase and prepare for the September 2025 school year.

Thank you for considering a donation to ensure a child has the resources they need to succeed. If you have any questions or would like more information on how to donate, please contact me at mkuruc@hamiltonpolice.ca

With gratitude,

Constable Mirko Kuruc #1176
Hamilton Police Service

Subject: Help Send 50 Kids to Summer Camp!

ATTENTION: This email originated from a sender outside of the HPS. Please avoid clicking links or opening attachments from external senders unless you are certain it is safe to do so.

Good morning, all,

The CCASH is making a request to the Hamilton Police Services Board to support our Summer Camp fundraiser. Please see the details below.

Thank you for your continued support.

Help Us Send 50 Kids to

Give a Child the Gift of Summer

Imagine the joy of a child roasting their first marshmallow, splashing in a lake, or finding the courage to climb a wall — moments many kids only dream of.

For many children and youth we serve, camp is a turning point where joy and transformation begin. It's a chance to escape daily struggles, build confidence, and just be a kid.

You can make that happen

Your donation can send a child to camp — creating memories, friendships, and hope that last a lifetime.

Give today. Change a summer. Change a life.

Camp Costs

- \$275 Sends a child to **day camp** for one week
- \$625 Sends a child to **overnight camp** for one week
- **ANY amount** brings us closer to our goal of sending 50 kids to camp
